Sir: If the statements contained in the enclosed letter are true, I presume of course the request therein made will be readily complied with.

In regard to Mr Lacy's character as a union man I can say that in June 1861 he joined my company of Home Guards & was with me when we defended Cameron & kept the H. & St. Jo. R.R. open from there east at the time the "Platte River bridge was burnt. When we disbanded he joined the U. S. service & I had lost sight of him until I recd. this letter.

Very Respectfully
Your Obt Svt.
James H. Birch, Jr.

If Genl Rosecrans will refer to the Rep. & Democrat he will doubtless be gratified in reading the proceedings of a meeting held in this County (Clinton) under his order No. 107 — for the issuing of which he has the warmest thanks of the entire County.

Extract from Act of Congress.

Sec. 12. *And be it further enacted,* That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars: which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

Sec. 13. *And be it further enacted,* That any agent or attorney who shall, directly or indirectly, demand or receive any greater compensation for his services under this act than is prescribed in the preceding section of this act, or who shall contract or agree to prosecute any claim for a pension, bounty, or other allowance under this act, on the condition that he shall receive a per centum upon any portion of the amount of such claim, or who shall wrongfully withhold from a pensioner or other claimant the whole or any part of the pension or claim allowed and due to such pensioner or claimant, shall be deemed guilty of a high misdemeanor, and, upon conviction thereof, shall, for every such offense, be fined not exceeding three hundred dollars, or imprisoned at hard labor not exceeding two years, or both, according to the circumstances and aggravations of the offense.

Approved July 4, 1864.

Note. 10.—If any soldier is charged a higher fee than that allowed by the above act, he should report the fact and the name of the agent to the Adjutant General, in order that steps may be taken to have the same refunded.

FINAL STATEMENT. on

La - 399 - 1868

OF

John Larimore, Pvt.

25 Reg't of Me. Infantry

Co. "A"

VOLUNTEERS.

Discharged Mr. 25 '62,

Note 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due to him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge,* and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

Note 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both the final statements, and also to the time he has pay due for having been so mounted on his own horse.

Note 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

Note 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Stoppages."

Note 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

Note 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

Note 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

Note 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Note 9.—If the soldier is a drafted man or substitute, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute,* as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran,* (or *recruit,*) as the case may be, should be inserted after the words *mustered into the service of the U. S.* A statement of the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

BEFORE M. L. Harrington JP

Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, James Larimore previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has Hazel eyes, Brown hair, fair complexion, is 5 feet 10 inches high.

25 Me. Vol.

St Joseph Mo May 16th/63

Dear Sir

Lieutenant H P Macloon formerly of the 25th Reg Mo Vol served the country with distinction at the Battle of Shiloh and is a worthy gentleman in every respect. He is an applicant for the appointment of Chief of the Detective police now about becoming vacant.

I shall be gratified if you will appoint him as I understand the appointment is made by you.

Head Quarters District of North West Mo.,

St. Joseph, Mo., May 17 1863.

Colonel:

Henry P. McCloon, formerly a 2d Lt in my regiment and now a citizen of St Joseph, desires the situation of Chief of U.S. Police in this District.

I most heartily recommend him for that position. As at present organized, there is much complaint of the Police, on account of the extortions said to be practised upon citizens, who lose horses &c —

I never investigated these charges and do not know that they are true. I presume you have full information on the subject.

I am, sir, very resp'y

Col. F. A. Dick,

Dear Sir:

Capt H. P. Macloon is an applicant for the position of chief of the detective force of this district. As an officer of the 25th regiment Mo. Vols. he has done good service for the country—having passed through all the battles in which that regiment has been engaged. I take pleasure in recommending him to you as a man of excellent character; faithful and energetic, and well worthy of the place he aspires to fill. His appointment would meet the approbation of many citizens of this Dist.

Very Respectfully,

I DO HEREBY CERTIFY, that I have carefully examined this officer, and find that he is laboring from Chronic Diarrhoea, for over two Months and is ~~little~~ from its efects so debilitated

I learn that Lieut. Henry P. Macloon, has been named to you as a proper person for Chief of the Detective force at St. Joseph.

Lieut. Macloon, was in service, as an officer of the 25th Mo Vols. while in the Army of Gen. Grant, in Tennessee and Mississippi; and while the Regiment was under my Command.

I can, not only bear testimony to his efficiency and ability, but can further state, that he was one of the most promising officers in the Regiment, when compelled from long continued ill health, to resign his position.

I know of no one, whom I could more cordially recommend for a position of trust and responsibility at this post.

Colonel.

I am informed by Lieut H. P. Mc Cloon that he is an applicant for the position of Chief of police in this District. Lieut Mc Cloon was an officer in the 25th Mo. Vols, was in the battle of Shiloh, and all the officers of the Regt. bear testimony to the faithful manner in which he discharged his duty. From what I know of him I am satisfied that he possesses qualifications which eminently fit him for the position to which he aspires. He was compelled to leave the 25th on account of ill health, and if the present administration of the U. S. police in this district requires a change, of which every man solicitous for the common cause has his opinions, and of which you of course are the judge, I, as a citizen of North West Missouri would feel particularly gratified to see Lieut Mc Cloon succeed the present incumbent.

Will you please add this to the paper? At present my health is very poor, with very little prospect of improving before cold weather. In resigning, I have acted in accordance with the advice of five different physicians of this city.

Maj. Nichols is here, attending to the recruiting service. He speaks encouragingly. Capt. Evans is worse in health than ever, but is working hard. When my health permit, I assist him.

Hiram Markwell being first duly sworn on his oath states that he is the father of John Markwell now confined in the Military prison at St Joseph Mo. Charged with desertion from the 25th Mo Infty

Affiant states that his said son Enlisted in the 13th Mo Infty in the Spring of 1861 & was captured with his Command at Lexington Mo in Sept 1861 - and was then paroled by the rebel general Price - affiant further states that Capt Dill to whose Company said John Markwell belonged in the winter of 1861-2 delivered to this affiant a discharge of said John Markwell from the United States service - and affiant being himself then in the service delivered said discharge to Col Joel Bickett to be by him delivered to said John Markwell who was then sick in Nodaway County Mo - that ~~said~~ Col Bickett never delivered said discharge to John Markwell, & he has now gone to Idaho & the discharge Cannot now be obtained affiant further states that by false pretences said John Markwell was induced by Capt Dill to believe that his discharge was not effective and ~~thereby~~ & that he was subject to duty in the 25th Mo Infty and acting on that belief said John Markwell went to the 25th Mo Infty & with it participated in the battle of Shiloh - after which said John Markwell & others who had been deceived in like manner were detached from said Regt & sent to St Louis & kept there for 4 or 5 Months. and under the opinion expressed by Maj Gen Curtis said Markwell & a large number of others refused to & still refuse to perform service in said Regt. - Wherefore affiant asks that his said son be released from custody

George Mason of Company "C" 25th Mo Vols, who was taken prisoner at Shiloh on the 6th of April 1862 and removed to Corinth has been released on Parole and came into camp yesterday and states that some of the men of the 25th Mo Vols who were taken prisoners at Lexington and released on parole and again taken prisoners at Shiloh are to be shot — so this George Mason was told before he left the Rebel lines

These men were exchanged as well as nearly all the others who were taken at Lexington — those who did not obtain them were promised them by the commissioners appointed by the confederate party through Captain Howland — This report is having a bad effect among the men of this regiment, and has been reported to me by their company commanders. Note 1.—The Inventories of the Effects of Deceased Enlisted Men, required by the 95th Article of War, will be forwarded, as soon as practicable, by the Company, or other Commander, to the Adjutant General of the Army, Washington, D. C., and to the Headquarters of the Regiment or Corps to which the Soldier belonged at the time of decease. (See Article XVII of Regulations.)

Note 2.—With the Inventory of Effects, there will be forwarded to the Adjutant General of the Army, Washington, D. C., *duplicate* Final Statements of the Deceased Soldier's Accounts with the United States.

ARTICLES OF WAR.

ART. 95. Whenever any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) —— regiment of ———, who died at ———, the —— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) —— regiment of ———, who died at ———, the —— day of ———, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor will be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him, one copy should be sent direct to the Adjutant General and one retained by the officer.

in regard to the case of Priv. James A. McClellan of his Co. being different from what he represented.

After revokking all discharges pr. S.O. adressed a Copy of a letter to every member of Co. stating of their being continuously in service and that I would report all Absentees after 10 days as Deserters.

McClellan his brother & others came to St. Joseph by their own free will, seemed well satisfied.

Drawn his pay for all the time up to Feb. 28/62.

Used no force to bring him to Regt.

NOTATION.

Book mark: 4064 B 1872

The Adjutant General's Office,

WAR DEPARTMENT,

Washington, July 21, 1909.

It has this day (July 21, 1909), been determined by this Department from the records that the above-named soldier was discharged the service Feb. 1, 1862, on a detachment muster-out roll of that date. So much of S.O. No. 181, headquarters, Dept of the Mo. dated at Fort Leavenworth, Kans. Nov. 7, 1872, as purports to discharge him to date from Oct. 29, 1861, is void and without effect.

The discharge cert. of the soldier now on file in this office and the notation in the case dated Jany 14, 1873, are cancelled, as their preparation was based on a misapprehension of the facts in the case.

25th Reg: Mo: Vol.—
Sir,

Hereby I beg leave to tender my resignation as an Officer of your Regiment, for the following reasons, to wit:

In consequence of Administrative business left unfinished at Wyandott, Kansas, when I entered the U.S. Service, to settle which I lately asked leave of absence which has not been granted.

Having been about twenty months in active service, during which time I have not had a days leave, and at all times faithfully executed the duties ordered, yet there are Regimental Officers so prejudiced against me here that in self respect I am obliged to resign unconditionally.

I certify on honor, that I have no public property, in my charge and that I am not indebted to the United States; Was last paid by Maj G. H. Scott to Decr 31st 1862.

I placed one there, the other, at any other point he may select. I make it a rule to let offrs select their recruiting station but not more than one of a Regt to be in the City — All are anxious to be in St Louis — So I made the rule — & as it is not violated in this case, he asks to return to his regiment

Capt McMillan

25 CWO.

In Camp at Harlem, Clay Co. Mo.
May 4th 1863.

Colonel Harding,
Commanding Dist N.W. Mo.

Colonel -

Your order relieving me from duty at the Arsenal was received on the P.M. of the 27th. Lt Shinn's Command came in on the same night, and the next morning I marched my Company to this place.-

At 2 O'Clock A.M of the 2d May one of my pickets Captured seven negroes and five horses on the road to Wyandotte Kansas.- The picket fired upon a white man in a skiff on the river - an accomplice - but failed to capture him. On investigation I found that two of the negroes belonged to men in the rebel Army, and I passed them across the river - the other five belong to resident Owners, and I turned them over to the Provost Marshal at Liberty. The horses I still retain for scouting purposes, and I have notified the Provost Marshal that so soon as they cease to be useful to me in this way I will turn them over to him for the owners. I can accomplish but little further here and would like to return to St. Joseph. - No recruits. -

Enclosed you will please find three Muster Rolls and two Pay Rolls for Company G. 25th Mo. for the two Months ending Apl. 30. 63. Also your Ordnance papers as per request.

Respectfully, &c — William Mullar

Charged with desertion from 25 Ky. Mo. Vols.

Camp at Dr Thomas Farm.
Eight miles from Pilot Knob.
Feby 22d 1863.

General.

Lt Col Dunlap, commanding 1st Brigade camped ten miles from this place last night. He has not pushed ahead of his baggage and has favored both his men and animals - I appro his course -. He will be in today. Our supply train is about used up. There has been such mismanagement, owing to want of experience I presume, in regard to our supplies, as to give me much embarrasment and ~~cause~~ our men ~~to~~ suffer needless hardships.

Capt Wm Millar 25th Mo Vol, under arrest, left his regiment without permission and came to the Knob. I met him and ordered him immediately back, to march in the rear of it. I learn, that instead of obeying me he went to St Louis - If this be so, I hope you will have him arrested and dismissed the service without the formality of a Court Martial.

The roads in this vicinity are nearly impassable - I would advise you, respectfully, to take this house for your Headquarters - It is very comfortable and near enough to the Division

Kinsman's Court assembles tomorrow - I have sent an order to him to remain with his regiment. He had leave to precede the Brigade, in order to make preparations for his trial - He joined and came in with me.

I shall be delighted to see you here and in command - I believe you have a fine Division and - as a general thing - good officers - Cols Stone and Livingston are certainly thorough soldiers, and well up in their present profession.

I am, General, very resp'y

Rec'd H. Q. Dpt. Mo. Dec. 26 1863.

In Camp 25th Mo. Vols. New Madrid. Mo. Dec. 15. 63

Major General Schofield,
Commanding Department,

General:

Knowing that an effort is being made to misrepresent the motives which have governed my course of action since I have been in the Army, and more especially while I was in Command in Clay County, I am induced to address you, and ask your attention to the following statements. I am constrained to adopt this course, the more particularly, in consequence of certain letters which have appeared recently in the St. Joseph Tribune, Chillicothe Constitution, and perhaps other papers published in the Northwestern Counties, misstating facts; and, to say the least, speaking of me in a very unkind manner when it is known they proceed from men with with whom I am in daily association, and who are presumed to be gentlemen as they hold Commissions in the United States Army.

Rumours during the early Spring, of an advance of General Price, from the Arkansas border, at the head of a large force, and fears that he might be joined by men belonging to the rebel Army who had Wintered in Missouri - reinforced by all the disaffected element in the State led to Volunteer troops being stationed in the most populous districts for the double purpose of arresting rebel Agents and to recruit and fill the old regiments. In March our regiment was ordered to the Northwest and I was sent with four Companies to Liberty Arsenal. Fears were entertained for the loyalty of the Enrolled Militia, and I had orders to Collect all Arms not actually in service and keep them well guarded. I found a very ready compliance with my wishes on the part of the officers in Command; and, although there was an unsettled condition of public feeling, I had no reason to believe an outbreak was Contemplated, much less an attack on the troops under me as I had been led to expect by rumours at Leavenworth and at Kansas City. My first impressions were unfavorable to the Citizens, and I had not had that kind of Military experience which would enable me to rely implicitly on my own judgement based on observation. Time however explained the reason for so many old-school-politicians being in Liberty and so many idle people on her Streets. The excesses committed in Jackson County, and the inability on the part of the Military to afford protection to life and property had driven a large number of persons across the river, some for temporary protection, and many to find land to Cultivate and homes for their families safe from marauding and bloodshed.

In following three or four troublesome fellows headed by Joe Hart a noted guerilla and horse thief who infested the eastern part of the County, I found a very general desire on the part of the Citizens to have them captured or driven from the County; and, although some from prudential motives were chary in giving information, I had no reason to doubt their sincerity in wishing to be relieved from the depredations of these scoundrels.-

an equally troublesome class of persons infested the Western part of the County, - and who, rendered bold by the kind of semi-support which their avowed attachment to the Union ensured them from many well meaning men and worthy citizens, - their depredations covered all kinds of property from silver spoons to horses, - any thing that could be converted into money in the neighboring State of Kansas. Negroes were often the agents in this kind of thieving. The vigorous measures I adopted suppressed it thoroughly, in a few days from the time it was brought to my notice. That I violated any law in so doing is an assumption not warranted by the facts. I only enforced the laws, as I understand them, and obeyed the orders of those above me in command.

The testimony as it appears on the record, of my trial gives a coloring to my acts which the plain facts will not admit of. For instance where I am charged with a breach of Arrest on the March from Birch Prairie to Eminence and thence to Arcadia. - The Country was hilly and broken, and the streams swollen by recent rains; the road generally followed the valleys and the crossings were numerous; as I was on foot I consulted my convenience in selecting the easiest, and in places where the hills impinged on the valley I took the shorter route over the spur, but I was always in sight of the regiment and encamped with it until the eighth day, or rather the morning of the ninth day of my arrest. During this interval we encamped for four or five days at Eminence; Yet Buzzard says he could not spare time to supply me with a copy of the charges against me. The truth is there was no copy of the charges on file in the Adjutants office when I applied for it on the evening of the eighth day. At my request a search was made for it by the Sergeant Major who had charge of the office.-- This whole matter was talked over soon afterwards, and finally disposed of, as shown by the testimony of Col. Harding. In the case of the slave Woman and Children who, Murphy avers, were arrested by the Camp guard at Harlem, Clay County, and sent to the hotel for breakfast, and Connell says I turned over to their Claimant in my own Camp on my company parade. Nobody else in the Company saw this or heard of it until it was stated in evidence; unless it be Thompson who describes them going away from their homes along the Parkville road; and the testimony of Mimms and of Woods shows these allegations to be untrue. The above items are in character with all the material points made in the testimony by the prosecution. The truth in the case of the Woman and Children was, that they came to the ferry and were sent to me for a pass, which I had no authority to give, and they were turned out of Camp.

My friends the anonymous Writers referred, to prate freely about my being a "Copperhead" and a "rebel"; that my "sympathies have been with the South since the rebellion broke out"; that I am bloated with "Whiskey" and "prejudices"; that I have "disgraced my position" &c. I would regret to reply to this in the spirit in which the assertions have been made, whilst I distinctly deny their truth. I never have had a disloyal thought against the Union of the States, or against the government, or against any of its measures to suppress the rebellion and maintain its authority over the whole territory of the Union, I cannot therefore be a rebel! Yet I do not like the idea of doing away immediately with all political and social distinctions by reason of Color.

Very Respectfully your obt Servt.

General,

Referring to the case of 2nd Lt A. C. Mills it is due to him that the charges preferred against him be withdrawn.

On the first day, he has brought satisfactory evidence that he was present to be examined before the commission - He was in Barracks at the time he was sent for on the second day to attend; but the mistake occurred on the part of the Orderly entrusted with the order to deliver - It appears he could not find out his whereabouts -

Under the circumstances the charges are herewith withdrawn he being free from all blame

I am General
very respectfully &c
